REST ROOM DISCONTINUED

The Rest Room Committee composed of members from each of the women's clubs in Monett, held their annual meeting Saturday afternoon. Though the rooms have been well patronized the past year, the location is not entirely satisfactory, some of the contributors have removed their support, and it was decided to discontinue for the present.

If the business men wish to have the rooms kept up later on, the women will be glad to see that the matter is taken care of and will try to get rooms on the ground floor.

The management has been efficient and the rooms have been well cared for, so there is no complaint in that line.
